About us

FERZAN TEXTILE started its activities at Bursa in 2003 with the Manufacturer of **Knitted Mattress Ticking Fabric**. It meets the fabric needs of many brands from all over the world with its fabric collections offered wide product range. Also continues the activities with **Polyester Yarn Manufacturing** and **Mattress Cover Manufacturing**.

With our experience in knitted mattress fabric production, we are increasing the number of our customers day by day. We are trying to provide the best quality and service according to **OEKO-TEX** and **ISO quality** standards to our customers with our daily production capacity of between 8.000 – 10.000 meter. You may easily discover the fabrics that we produce in our showroom and get to know our products closely.
